

# Church

**Methodist Church**  
 There were two large congregations last Sunday. One noteworthy about it is the large percentage of men at all the meetings, especially at the evening service. The church appreciates very highly the American flag presented last night. It is of elegant silk, gold trimmings, and beautifully decorated. Klansmen, come again; you are always welcome.

Next Sunday morning the pastor's sermon will be "Religion on Trial." The evening talk will be on "The Greatest Thing in the World." The Sunday school is doing splendid work since the new church has been fitted up. There are classes for every age. Come and join the Bible class.

For this Sunday the nursery will be open so mothers can leave their babies in good and experienced hands. They themselves enjoy the services.

Hoag, cradle roll superintendent, with her assistants, is planning for the afternoon for the mothers and children.

**Christian Church**  
 The new pastor, W. T. Adams, has been here for a few days and there is already an interest in the services. The Sunday school is the largest yet, and we are expecting an increase next Sunday.

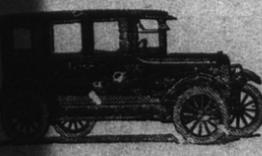

The Christian church has come to stay. The new pastor is a man of large experience, and is an interesting speaker. The audience last Sunday was about double the previous one.

It was the Sunday before last that we had a hearing. Come once and you will want to come again. Invite your friends to come with you. Ours is a very friendly church. Inspiring and earnest gospel preaching is our aim. If you enjoy that, come and be with us next Sunday.

The school at 10 a. m. Communion and sermon at 11 a. m., and singing services at 7:30 p. m. The church is cordially invited to attend the services of the church.

**Central Evangelical Church**  
 "The Changed Life" will be the pastor's theme in the morning at 11 o'clock, while in the evening at 7:30 he will speak on the theme, "A Friend of God."

The Sunday school meets at 9:45, Junior at 3 p. m.; C. E. at 6:45 p. m. The orchestra rehearses Tuesday evening, the choir on Thursday evening. Prayer meeting on Wednesday evening, instead of Thursday evening, as in the past.

The Woman's Missionary society will meet Thursday at the home of Mrs. Smith, in the Burkhardt court. Friday, Nov. 16, the Ladies' Guild will give their annual bazaar in Legion hall.

The members of Central church will unite with the friends of the other churches in town on Thanksgiving morning at 10 o'clock in a praise service in the Baptist church. An invitation to the public to all services.

**First Baptist Church of Torrance**  
 Rev. J. Whitfield Green, pastor. Mr. Green will speak on two interesting topics next Sunday: The morning sermon, "The Stray Sheep"; the evening sermon, "The Caged Lion." This, combined with our evening song service of evangelical hymns, will make a combination that can't be beat.

More and more as Torrance people hear Mr. Green preach, where the Bible is made so plain, and the subjects so interesting, no wonder our congregation is increasing so rapidly. Come and be convinced. It is a real pleasure to see so many strange faces. Everybody welcome.

Behind the western hills the golden sunset slips away  
 To proclaim the crowning glory of the day,  
 And then the dusk of eventide appears.

The moon, with all its splendor,  
 Vies with starlight, soft and tender.  
 God lights the way.  
 Sunday school, 9:30. Come and bring the children. If you are unable to come, send the children anyway. Capable teachers will look after them.  
 Morning sermon, 11 o'clock.  
 Young People at 6:45.  
 Evening song service at 7:30. "Don't miss it."  
 Prayer meeting Wednesday evening, 7:30.

**REV. LUTMAN TO SPEAK AT M. E. CHURCH**

Will Tell About Great Pacific Palisades Project

"Where the Mountains Meet the Sea" is the subject of a chautauqua lecture which will be delivered by Rev. Thomas Lutman, well known chautauqua and radio lecturer, at the Torrance Methodist Episcopal church Sunday, Nov. 25, at 7:30 p. m.

Rev. Lutman is well known to thousands of radio fans by his lectures and sermons over KHJ, Los Angeles. He delivers an inspiring address full of interest and educational value.

In addition to the lecture, a three-reel film of Pacific Palisades, the great religious and educational center being built on the shores of the Pacific near Santa Monica, produced by Fred Evans, will be shown. No admission fee is charged and no collection will be taken.

**Club Women to Feed Husbands; Promise Plenty**

Rosemonde Rae Wight, national lecturer for the American Animal Defense league, will speak before the Woman's club of Torrance next Monday, Nov. 19.

Mrs. Wright is booked before many clubs for her address on "Trained Animals of the Screen and Stage," presenting forcefully and brilliantly the real menace that lies in the depiction of real or suggested cruelty to animals upon the impressionable minds of children and upon adults.

Mrs. Bath and Mrs. Huber have charge of the musical program. The meeting will begin promptly at 2:30 in the community hall of the Methodist church.

Beginning with the month of December, the club will meet on the second and fourth Thursdays of the month, the by-laws having been changed to that effect.

### ROYAL NEIGHBORS NOTES

The Royal Neighbors entertained at a Halloween party on Thursday, Nov. 1. About ninety guests were present and all enjoyed the games, music and delicious refreshments. We hope to have more social evenings of this kind.

The regular business meeting will be held on Thursday, Nov. 15. Four members will be initiated.

Union services will be held at the Baptist church Thanksgiving day at 10 a. m.

The International Bible Students' Association will conduct a third lecture in Lomita hall Sunday, Nov. 18, at 7:30 p. m. An able speaker will lecture on "The Present Order of Things in the World and the Remedy Thereof." All invited. Seats free. No collection.

## Doc Steiner Was Right; Vonderahe Wins Over Elman

"My announcement was correct. The scores prove that my adjectives were well selected."

Thus does Doc G. A. R. Steiner conclude his verbal announcement of the victory of "Bobby" Vonderahe over Charlie Elman in their golf match at the Western avenue club Sunday morning.

Last week Doc declared that they were "both dubs at the golf game." This week, he points with the pride of the expert prognosticator at the scores made by the two contestants.

Vonderahe won the match. What doubtful honor there may be in making a score of 104 while Elman took 120 strokes belongs to the Carson street entrant.

He won the match, and by virtue of the victory is now somewhat more affluent than he was prior to the contest.

A return contest is being considered.

## Gloom Pervades Fire Department

An air of gloom pervades the local police station. "Sparky," the mascot, met an untimely death the other day when one of the officers ran over him with a car. In case you don't know, "Sparky" (short for Spark Plug) was a little white woolly dog, and the playmate of Ollie Stevenson's kiddies.

It's hard to tell who feel the worst about it, the youngsters or the members of the force.

### MACCABEE NOTES

The Maccabees will hold a prize masquerade dance Wednesday, Nov. 28, at Legion hall. The committee is working hard on the plans. Good music and a jolly good time is promised.

Don't forget the date, November 28.

Thursday, Dec. 6, the Maccabees will hold a bazaar in Legion hall. Both fancy and practical articles will be on sale.

The new by-laws have arrived. Come out to the next meeting and get one. Each one is asked to bring a copy to the next officers' meeting at Mrs. Gladys Curran's Monday.

Dec. 2. A careful study of both by-laws and ritual work is made at these meetings, and they are proving very interesting.

Members are reminded to get their dues in before the 10th of the month from now on.

Mrs. Watson reported a splendid meeting of the association at Long Beach. Several from the local review attended.

## The Line of Convenience For Business or Pleasure

The lines of the Pacific Electric are the links of the chain of transportation that binds the communities of Southern California together for business, social and industrial growth.

Frequent, Dependable and Economical service is operated between practically all of the Southland's important cities.

Ask our agents for time-tables and rates of fares. Information gladly given.

Apply at ticket offices and information bureaus or write for illustrated folders giving details regarding sight-seeing trips.
